OUR PURPOSE

The purpose of our camping program is to provide a setting in which the Christian faith can be experienced in fellowship with others.

We seek to help people deepen their awareness of God, each other, and the natural world by providing a camp program and a setting in which personal growth can take place. Our goal is that campers will strengthen their own sense of personal worth as well as their relationship to Jesus Christ and to others.

Activities at Camp Carew are directed toward Christian community. Through group living in the small unit, campers and leaders are challenged to work, plan, play, study, sing, and worship together.

Camp Carew is a mission of the Presbytery of Southeastern Illinois, a member of the Presbyterian Church (U.S.A.) and is accredited by the American Camping Association. Camp Carew is a member of the Presbyterian Church Camps and Conference Association.
