

Summer Staff Needed for Camp Carew

Summer is only months away, and already preparations are underway for Camp Carew's Summer Camp program. This exciting outdoor ministry is a mission of this church and the Presbytery of Southeastern Illinois. For some campers, summer camp is the only Christian education they receive all year. This is their best chance to live in and experience Christian community.

We need great staff to help make a great summer camp program. Do you or someone you know have the energy, faith, skills, and calling to work with our campers? If so please refer them to our website, CampCarew.org or ask them to contact Dan Kingery, the Director of Camp Carew, at Dir.Dan@CampCarew.org. All application materials need to be to Director Dan by May 15.

We need female and male counselors. Applicants must be 18 years old, pass a background check, and be professing Christians. Lifeguarding training is a plus but not essential.

Please encourage gifted people—who love to work with kids—to apply for a summer staff position at Camp Carew.
